METKA: FOUNDATION OF SUBSIDIARY IN TURKEY

METKA announces the foundation of a new company named **Power Projects Sanayi Insaat Ticaret Limited Sirketi, based in Istanbul**. The new 100% owned subsidiary of the METKA Group is part of METKA's strategy of expanding its activities abroad, especially in the developing market of Turkey, and further strengthens METKA's presence in the neighbouring country as well as increasing the potential for undertaking new projects.

METKA continues its successful transition from an EPC contractor of local range to being one of the main players of the international EPC sector, putting it amongst the largest exporting and most internationally focused companies of the Greek economy.
