

METKA ATE members of the BoD short CVs 2025

EVANGELOS G. CHRISAFIS

Chairman

Evangelos G. Chrisafis has linked his long-standing career to METLEN Energy & Metals (previously known as MYTILINEOS), having marked 25 consecutive years with the Company this year.

In 2009 he assumed the position of General Manager of Legal and Regulatory Affairs of then MYTILINEOS Group. Among other roles, he has served as a Board Member of Aluminium of Greece and Protergia (prior to their absorption by former MYTILINEOS), as well as the Hellenic Association of Independent Power Producers (HAIPP). Since 2018, he has been serving as Vice Chairman and Executive Director of the BoD for Regulatory & Strategic Energy & Infrastructure Issues for METLEN Energy & Metals.

In 2023, he took on the role of Chairman of METKA ATE (a METLEN subsidiary specializing in infrastructure projects). As of June 2024, he is an elected member of the Board of Directors of SEV (Hellenic Federation of Enterprises). Additionally he has been a member of the Board of Directors of GOLDEN SOLAR AE since 2007.

His work is closely linked to historical changes in the European and the Greek regulatory landscape, particularly the liberalization of gas and electricity markets and securing competitive energy costs for Greece's energy-intensive industry. Supporting the SEV Energy Committee, he actively contributed to the introduction of regulatory measures crucial for reducing industrial energy costs and ensuring supply security.

He is a lawyer, a graduate of the Law School of the Aristotle University of Thessaloniki and speaks English and German. He began his career in 1989 when he was registered as a lawyer with the Thessaloniki Law Association.
